are not incurred from public funds elsewhere eg. Kandy.

The additional revision urged by the President, Kandy is for ensuring the lunch arrangement is that the amount spent will be equal to not less than the Daily Allowance to which the Members & Special Members of the Board are entitled for more than a day for more than a day in attending meetings may be given a daily allowance of Rs 1. If the business is not finished in a day (which is calculated on the basis of lunch is arranged for) and carried on the next day, each member will perhaps be entitled to draw charges for each meeting. There were 6 meetings in Kandy & 4 days in Jaffna: The charges of meetings was Rs. Calculated for 20 members each time, it will amount to Rs. 6 x 2 x 20 or Rs 240. Which is not less than the amount provided for the lunch arrangement. It is for orders whether in the circumstances, the order already passed may be reconsidered so as the question of providing a minimum amount for the first meeting the arrangement may be considered.

Besides the expenditure incurred by the Board annually for this purpose will not exceed Rs. 200/- which is afterall a very negligible sum equilant to or if not less than the daily allowance should it be allowed to the members for the day they attend the meetings. In such cases the members represent that the principal has to be to a certain extent relaxed in consideration of the local circumstances.

4. The present system of supplying lunch to the members is not only convenient to them but also to - facilitating the Board to conclude the meetings the very day without having to their adjournment for the following day.

Sir,

I have the honor to state that no lunch was supplied at the cost of the District Board to the members attending the District Board meeting held on 31st October 1925 in accordance with instructions conveyed in your letter of the 4th September 1925. Some of the members present having pressed upon the attention of the District Board, the desirability of providing lunch during the sittings of the Board as before, it was unanimously resolved that it may be ordered to be continued as heretofore (vide copy of the resolution of the Board attached).

In fact, the business of the last meeting could not be gone through the same day, as the members could not sit for hours at a stretch without lunch and consequently several subjects had to be deferred to the next meeting. The members feel the necessity for lunch and the District Board can afford the expenses. I, therefore, request that this District Board may be specially permitted to incur the expenditure for lunch.

The matter is as a result of the discussion, herewith submitted for reconsideration.

In this connection I beg to invite kind reference to my letter No. G.C. 188 dated the 22nd September 1925 in which I have communicated the views of the Board. The charges incurred in the past under this head in this District have been moderate.

Put up with the General file

I, therefore, request that you will be so good as to obtain early orders of Government for the continuance of the lunch arrangement, the cost, as usual, being met from the District Board Funds.

I have the honour to be,
